### Nov Birthdays

List not available at  
press time.

Brethren;

Our Past Master John K. Carr passed away on October 20, 2008, his services will be at the Lodge on November 1st at 1:00 PM.

With the holidays rapidly approaching, let us take a few moments to check in with our brothers who have not been coming to lodge. Ask if they need a ride.

Last month we had a wonderful lasagna dinner. On October 30 we had an entered apprentice degree. Let us welcome our new brothers. As election time arrives, let us reflect on who you think would be the best person for the job/office also the Lodge.

I know that our secretary would appreciate all of us paying our dues for the coming year promptly.

Now for a little humor:

Why You Should Suspect Your Cat Has Your Email Password....

1. E-Mail flames from some guy named "Fluffy."
2. Traces of kitty litter in your keyboard.
3. You find you've been subscribed to strange news-groups like alt.recreational.catnip.
4. Your web browser has a new home page <http://www.feline.com>
5. Your mouse has teeth marks in it... and a strange aroma of tuna.
6. Hate-mail messages to Apple Computer Corp. about their release of "CyberDog."
7. Your new ergonomic keyboard has a strange territorial scent to it.
8. Little kitty carpal-tunnel braces near the scratching post.

Dana A Nollsch WM

Greetings from the West;

My message will be somewhat brief this month as I am busier than a one arm wall paper hanger trying to get everything set up for next year.

It was very sad to hear of Brother Carr's passing he was a pillar of Masonic strength and he will be missed. We will have had a first degree on the 30th of October which is in two weeks (at the time of this writing) however, it will be over when you receive your November Trestle-board.

I haven't got a clue what I am going to prepare for the meal for our next stated meeting but I can tell you and Will Wearne in advance; I have lost the competition. Maybe Pizza, possibly hotdogs or maybe I can get Mark Smith to brew up some of that outstanding chili for which he is world famous; Chili and homemade beer; that does sound good right about now. I might even throw in some ice cream sundaes for dessert. You can save your taste for turkey until later in the month.

I will be conducting the next Stated Meeting in the absence of Worshipful Master Dana so if you are in need of a little comic relief be sure and attend. A reminder that the Table Lodge needs all the help it can get right now. I have had one volunteer for the committee and another volunteer to help out on a one time basis. We need all of the publicity and donated raffle items that we can get. If you know of a business or someone who can donate an item please start solicitations now.

Let's have a good turnout for the Stated Meeting on November 7th. Take care and have a great November.

Fraternally  
Howard L. Rigdon, Senior Warden

Brethren,

Now that we are in full swing, it is time to turn our attention to those things needing consideration.

First, the Step-Up night went fairly smooth with the usual oops and oh wells added for good measure but good nonetheless for the rooks.

Secondly, I will say that although I was unable to taste the meal for October, I hear it was delicious and we have our Worshipful Master Dana and his crew to thank; a great showing for the "Beat the Junior" title.

Third, we need to address the elections coming for the ensuing Masonic year. The elections should be thoughtful and deserve your attention and support for without you, there is no us!

Finally, we are ramping up for our biggest fundraising event and it is most important to the operation our lodge: The Table Lodge. Acting Master Rigdon indicated the need for a standing committee to help plan and implement the event which is headed by the elected Senior Warden each year. Dana Nollsch volunteered to serve on the committee and is looking for more masons to serve their lodge in this capacity. I have a tentative agreement from brother Trey Watts while he is on the mend (broken collarbone, stitches, etc...) from an Evil Kievel stunt attempt. He indicates that before attempting such off-road adventures, remind yourself of your age. I digress.

Please show your support  
for your lodge and help make  
our Table Lodge a success!
