Brethren;

We are now entering another change in seasons, with that we will resume our work. There are several members in need of further degrees. If you can assist us in this endeavor please let us know. It would be very nice to get caught up on our degree work. Before we know it the holidays will be upon us and it will be time for another one of us to lead us in our work.

Our October meeting will be a step up night. Most of the officers will be in a different position for the evening. This shall be an interesting evening for all and we will have a new look. We will also be having Hawaiian shirt night. We will be opening on the first degree.

November brings us closer to the end of our year and I would like to take this opportunity to thank all of you who have helped so far this year. Thank you. I hope to see many of you at our next few meetings.

From the East
Dana A Nollsch WM

Greetings from the West;

October is upon us and the year is flying by. If any one has any connections with any business(s) that would be willing to donate to the Table Lodge Raffle Gift inventory for 2009 now is the time to begin those solicitations. Plans for the New Year are already being made and any suggestions with regard to activities or events that anyone would like to see implemented in 2009, please contact me with your ideas.

Brother Waldrop proved his Fellow craft Degree in open Lodge last month and did an outstanding job. We are currently attempting to schedule a Third Degree for him before the end of the year. Progress on the degree work back log is being made and we hope to have several more degrees before the end of the year.

The Lodge is in dire need of new members and everyone is encouraged to help strengthen the lodge by recommending outstanding candidates. We also encourage a renewed spirit of unity and brotherly love that will bring us together in purpose and strengthen the lodge in resolve and purpose. Masonry is a vital part of the community and the community benefits from its unique leadership and service.

Fraternally
Howard L. Rigdon, Senior Warden

Brethren,

We are now in full swing in the later year of 2008, Dana's reign. Please help us in celebrating by attending this months meeting as he will be the person in charge of our meal. Remember, it is a contest and last months was a great one put on by Patrick with the assistance of his special people. It was GREAT! As always, I look forward to seeing you on the event which is only a few times a year. Take care and see you there!

Always,

Fraternally from the South,
Will Wearne

From The Building Association:

Welcome back everyone! Our building has been a very busy place over the summer with several parties and wedding receptions being held there. The Association has also had a chance to work on some much needed preventative maintenance. But it's fall and time for a little clean-up. So if you have some spare time Please give Ducky Anderson and call and put your name down for the next work party. The board has changed their meeting date and times in hope of getting those who are interested to attend and ask questions. So if you what to know what is happening come on down on the 2nd. Monday of each month at 7:30pm and join us.

Fraternally,
Harry W. Dixon, Treasurer.
