Simon D Noble	28
Walter W Illgen	30

Brethren

Welcome back from

summer vacation! I hope that you all have had a wonderful, relaxing and safe summer. I would like to thank our Scottish Rite for hosting our annual lodge picnic this year. There was a lot of wonderful food and fellowship. Thank you all for attending.

Our September 5 meeting will be a visit from our Grand Master James G. Kelley and his core of officers. We will be having dinner first at 6:00, Meeting to follow at 7:30. Dress attire will be formal so please dress in your tuxedos or black suits.

For our October 3 meeting it will be officer step-up night and Hawaiian shirt night to celebrate the end of summer.

From the East  
Dana A Nollsch WM

Greetings from the West.

Summer is over and the work begins anew.

Congratulations to Brother Harms who was initiated an Entered Apprentice in July while the Lodge was dark. We welcome him as he commences his Masonic sojourn and encourage him as he embarks upon his Fellow Craft quest.

September is the Most Worshipful Grand Masters visit and we are busy preparing for this honored occasion.

The Lodge has been confronted with many challenges for the future and it is very important that each and every brother who can attend the regular meetings, as well as the Degree work, make the time to be in join in that Masonic fellowship. We are faced with several very significant issues and are in need of the counsel and support of everyone. The time honored principles which form the foundation of the Craft will see us through and forge our will to succeed and carry one. Each brother is encouraged to reflect on the weighty obligations which we have all sworn to uphold and honor. Through honoring and practicing these time honored principles of truth no obstacle should present which cannot be overcome and conquered.

It is my firm and sincere belief that Masonry will soon experience unprecedented growth resulting in an influx and infusion of many new and talented Brothers who will assist us in the reaffirmation of the importance of the Craft to the growth of each individual life which it touches. During the very trying times in which we live the ultimate outcome can only be a stronger and more purpose driven movement to rededicate ourselves to those principles which have made our country strong. From my perspective the very positive results which will be experienced will be directly attributed and inseparably linked to the dedication and service which only adherence to the principles of the Craft and the individual strength of the Brethren can provide.

Fraternally  
Howard L. Rigdon, Senior Warden

Brethren,

The summer is transitioning into fall and so is our time moving from play to work. We have much to do and a short time to accomplish much.

I take this opportunity to thank all of the attendees for the First Degree held for Rick Harms and congratulate Rick on his first step to light. A special thanks to Dustin Simpson for filling in for me as Worshipful Master due to a shanghai birthday trip to Alaska.

I look forward to a great Masonic year and hope to see you all in lodge as we get to know each other more and enjoy our fraternal contact.

The dinners for the next four months will be a secret due to the competition. We have a few surprises up our sleeves so don't miss out and be there to take pleasure in our fun!

Fraternally from the South,  
Will Wearne

**From The Building Association:** We are in need of volunteers for building monitor during rental events. If interested please contact Harry Dixon at 851-1906
