Greetings from the East

Brethren I do understand that this is my last communication as sitting Master of this great lodge Wadsworth #25. What a great honor it has been to be master. From the first chair as a steward to the last chair as Worshipful Master, it is an experience that I have enjoyed . I have met a lot of good men in the Lodge and they have instructed in great ways ,and recommend great suggestions. I think my most memorable experience as a Master this year was the Grand Masters visit. He had a good time and so did I. I was very worried about that event but at the end of the day it was one of the best things this year. The barbecue at my house in the summer was the best turnout for any event that was assembled. For the upcoming master I suggest more of those fellowship events. I do thank the Past Masters and Brethern once again for electing me as Master. Also , writing a message in the trestle board has been great because it has let me write what I am thinking about lodge and my onions. There is still work to be done though before the end. By the time you get this message we will already have done a degree on two Entered Apprentices. Once again thanks brothers and I will see you in Dec for my last stated meeting as your master of Wadsworth Lodge thank you.

Good & Bad New

An old man visits his doctor and after thorough examination the doctor tells him: "I have good news and bad news, what would you like to hear first?"

Patient: "Well, give me the bad news first."

Doctor: "You have cancer, I estimate that you have about two years left."

Patient: "OH NO! That's awful! In two years my life will be over! What kind of good news could you probably tell me, after this???"

Doctor: "You also have Alzheimer's. In about three months you are going to forget everything I told you."
