## From The South

### Brethren:

I wish to apologize for my absence at the October stated meeting, I had family surprise me from out of town and I had not seen them in over five years. That being said I have heard that the meal delivered by George was very well received and I wish to thank him personally for all of his hard work.

Continuing on with Masonic History:

On Nov 1st in 1922, the cornerstone of the George Washington Masonic National Memorial, in Alexandria, Virginia, was laid in a Masonic ceremony.

On Nov 4th in 1752, George Washington received his Entered Apprentice degree in Fredericksburg Lodge in Virginia.

On Nov 21st in 1838, the Grand Lodge of Arkansas was formed.

On Nov 25th in 1813, the Articles of Union of the United Grand Lodge of England were signed.

On Nov 26th in 1737, a letter to the editor appeared in the New York Gazette newspaper, criticizing the secrecy of Freemasons and the words of the obligations' penalties (as disclosed in a previous exposé of Freemasonry). This appears to have been the first anti-masonic effort in the colonies that became the United States.

On Nov 28th this date in 1911, Franklin D. Roosevelt (U.S. President 1933-1945) received his 3rd degree.

#### **A Little Humor**

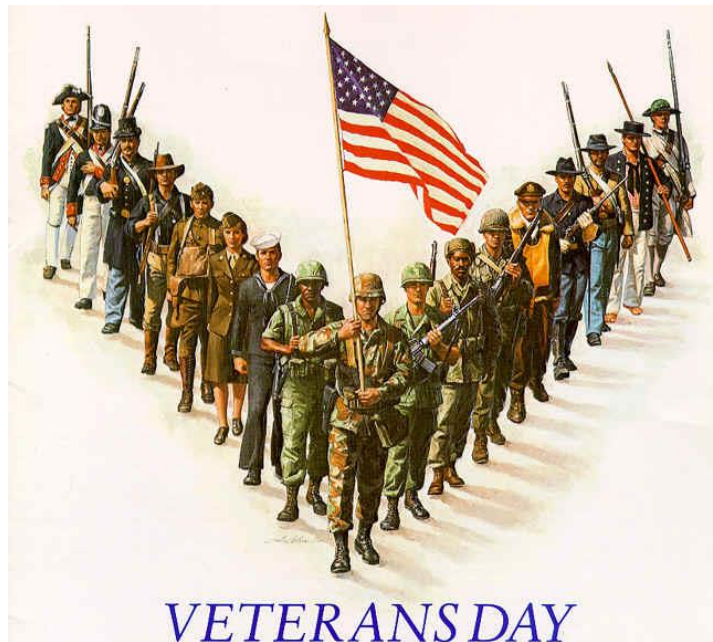

A man is walking through the recreation ground of his local park when he notices a huge fight going on in full fury on the football field he is passing.

"What's going on?, he asks a spectator, watching from the side-lines.

The other replies "It's a match between the Masons and the Knights of Columbus."

"What's the score?" asks the first man.

"I don't know. It's a secret."
